Notwithstanding any term, provision or obligation to the contrary contained in this Contract or any other document incorporated by reference into this Contract, the Contractor is responsible for delivering services to Non-Title XIX and Non-Title XXI eligible persons based upon the amount of funding for Non-Title XIX and Non-Title XXI eligible persons paid to the Contractor in accordance with the allocation schedule distributed by ADHS. The Contractor is under no obligation to deliver or pay for services beyond the amount contained in said allocation schedule and the Contractor's responsibility for providing services to Non-Title XIX and Non-Title XXI eligible persons shall be limited to the amount of pro-rated funding for Non-Title XIX and Non-Title XXI eligible persons that has been paid to the Contractor by ADHS.
